# SPRINT 1 PLAN

Product: HomeMe
Team Name: Homies
Sprint Completion Date: 4/28/2017
Revision Number: 1.0
Revision Date: 4/11/2017

**Goal:** To get a basic functioning website that display user profiles and their respective goals.

**Task Listing:**

*User Story 1*: As a Landlord I would like to display my profile
Task 1: Make a website to display functionality of app (2H)
Task 2: Make a website to sign up as an user (2.5H)
Task 3: Make a basic landlord profile form (name, location, etc) for landlord to fill out (1.5H)
Task 4: Make a landing page for landlord (different from initial website) (1.5H)
Total for User Story 1: 7.5H

*User story 2*: As a user, I would like to display my team profile
Task 1: Make a basic user profile form for a user (or tenant) to fill out (1H)
Task 2: Make a landing page for tenant (different from landlord landing page and initial website) (1.5H)
Total for User Story 2: 2.5H

*User story 3*: As a user, I would like to post my (possibly housing group) needs for renting
Task 1: Make a forum-like area for users to post their housing needs (5H)
Total for User Story 3: 5H

**Team Roles:**
